

Monday, August 17, 2020 - Why Do Churches of Christ Not Use Instrumental Music?

The linked article below does a masterful job of showing:

1. Why the Lord's church does not use instruments.
2. When that issue is proven, it helps you understand why those in the "Christian church" are NOT members of the Lord's church mentioned in the New Testament. Thus, we are NOT brethren.

It is so incredibly important that preachers/teachers/members teach correctly what the word of God says, not what you think it says.
